家長教師會 活動剪影

親子樂悠悠

家長教師會於三月十三日(星期日)舉辦「親子樂悠悠」活動，參加者共115人。當日上午八時四十五分在學校內集合，行程暢順。當天雖然下著濛濛細雨，但大家都享受親子一日遊。第一站我們到一間製餅廠，參觀製餅過程，並免費品嚐蛋卷及購買手信。隨後到元朗享用豐富的韓式自助燒烤午餐，大家都吃得亦樂乎。同學可以在餐廳內自製雪糕波板糖及棉花糖，十分盡興。

午餐後，我們到屯門公園參觀富有特色的爬蟲館，館內共飼養了二十多種爬蟲動物，牠們的原產地包括香港、中國、東南亞、澳洲及美洲的熱帶或亞熱帶地區，大家都認識了不少爬蟲品種。

最後一站是黃金海岸，學生和家長們在露天餐廳享受下午茶及欣賞黃金海岸的美景。一家人趁著假日可親近大自然，大家都感到很高興。

萬糴同心為公益

由家長教師會與家政學會合辦的萬糴同心為公益活動已於五月七日上午順利舉行，是次活動除了宣揚中國傳統文化、傳授糴糴這傳統手藝予家長及同學外，亦是一個親子共融的好時機。當日經過資深糴糴導師文姐的悉心指導下，家長、老師及同學都很快掌握到包糴技巧，雖然有失敗的時候，但大家都努力學習，短短兩小時已把百多隻糴子全數裹好。

為了與社區分享節日氣氛及獻上愛與關懷，本校義工組的老師及同學將糴子送到中國婦女會黃陳淑英紀念護理安老院的長者手中，與他們分享端午節的喜悅，活動甚具意義，家校攜手合作為社區出一點力。

家政學會的會員細心教導家長及同學包糴。大家都很留心觀看文姐作示範。

拿著努力的成果，家長及同學都非常雀躍。

English Week Students' Reflection

A) Music Performance—A cappella

The performance of SoCal VoCal, an a cappella group, impressed me a lot. The session I enjoyed most was that the members of SoCal VoCals taught us how to play a cappella. Since we were all layman, we could not master the skills at all. However, every group member taught us patiently. Another highlight that afternoon was that the SoCal VoCals suddenly invited one of the Form 1 girls to the stage. She was asked to sit in the middle of the stage while the group sang to her. The whole picture was so sweet and many of our female classmates were pretty jealous of that little girl then. All of them hoped that they were 'the one' there.

B) F.1 & F.2 Singing Contest

I was glad that I could be the M.C. of the Singing Contest and the experience could help me to improve my English speaking skill. I had to speak English on the stage in front of my teachers and classmates. Before the contest, I had to practice for many times. I was very nervous when I stood on the stage at first, but a few minutes later, I could overcome it and I had to keep calm and relax. I enjoyed it very much. I hope I can be the M.C. again next year.

C) Book Report Presentation

5A Lam Cheuk Ling In this book presentation, I gained many speaking skills. It is useful for me to face the oral exam in the DSE and the interviews in the future. It also helps me to be more confident and courageous when I talk with the other people. Now, I can speak to everyone loudly. Moreover, I learnt a considerable number of new words after I did the book presentation in other classes.

I can't put it down!

D) F.3 Quiz

During the English Week, we had the English Quiz at the sixth lesson on 23rd March. On that day, when the English Quiz started, every student in the school hall was very excited. They screamed loudly and happily. After three rounds, our Quiz Master, Mr. Chan said, 'Excellent! The answer is correct!' All the 3C students screamed excitedly because they won the game. Although my class lost the game, I enjoyed it very much. I do hope that all the F.2 participants can enjoy the English Quiz and also the English Week next year.

E) F.4 Big TV

I was so excited that I could be one of the participants in BIG TV, representing my class 4B to join this awesome activity. I enjoyed this wonderful game very much. Although we did not win the champion, we had tried our best in this game. I think the relationship between 4B classmates becomes closer after this game. The most interesting moment in this game is when we use our limited English words to try our best to describe the words on the screen to our partners. Despite the difficulties, we could guess some vocabulary. I hope I can join more games like Big TV.

If I put my hand to my ear, will that help you guess?

G) English Dart Game

It was good that English Dart Game was more fun than last year. Among the many different types of questions, I think the 'action questions', which required students to follow instructions to do some actions, were particularly interesting. It was because the players needed to think about the meaning of the words and the sentence as a whole before they could finish the task. When they didn't understand the instructions, they could guess the meaning of the difficult words or ask the student helpers for hints, who were very friendly and supportive. From this game, I learnt some vocabulary through guessing their meaning.
